ARTICLE II – GRIEVANCE PROCEDURE

A. DEFINITION OF TERMS:

A "grievance" shall mean a complaint by an employee (1) that there has been as to him a violation, misinterpretation or inequitable application of any of the provisions of this Agreement, or (2) that he has been treated unfairly or inequitably by reason of any act or condition which is contrary to established Board policy or administrative practice governing or affecting employees. However, the term "grievance" shall not apply to any matter for which (a) a precise method of review is prescribed by law or State Board Rule having the force and effect of law, or (b) the Board is without authority to act. A non-tenure teacher presenting a complaint which arises from not being

¹ The employees presently employed in the positions of Payroll/Benefits/Purchasing Specialist and Accounts Payable/Transportation Specialist shall maintain and continue to accrue their seniority rights in the event of a layoff. Marlene Rinaldi shall have the first refusal to a secretarial opening in the bargaining unit.

re-employed has the right to use only Levels 1, 2, and 3. (As used in this definition an "Employee" shall mean also a group of employees having the same grievance.)

B. PROCEDURES:

The importance of having grievances processed as quickly as possible suggests that the number of days indicated at each level should be considered as a maximum and every effort made to expedite the process. The time limits may, however, be extended by mutual written agreement. A grievance must be filed within thirty (30) days of the actual event or when the grievant knew or should have reasonably known of said event.

If a grievance is filed too late in the school year to provide time to process it through all the steps in the grievance procedure before the terms end, the time limits set forth in the various steps shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable. A copy of all correspondence must be sent to the Association and the Board.

Level One:

An employee with a grievance shall discuss it first with his immediate superior, with the objective of resolving the matter informally. If an impasse occurs, a written grievance shall be presented to the immediate superior of the employee, and said employee shall be entitled to a reply, in writing, within five (5) working days of said written complaint.

Level Two:

If the aggrieved is not satisfied with the disposition of this grievance at Level One, he must appeal, in writing, to the Superintendent of Schools within five (5) working days after the decision at Level One, or ten (10) working days after the grievance was presented, whichever is sooner. The Superintendent shall reply in writing, within ten (10) working days from receipt of said appeal.

Level Three:

If the aggrieved is not satisfied with the disposition of his grievance at Level Two, within ten (10) working days from receipt of the reply to his grievance from the Superintendent, said person will inform the Superintendent, in writing, that he wishes a non-public hearing with the Board. The Board shall receive an employee only after the employee has exhausted established methods of seeking redress of grievances in Levels One and Two. The Board shall schedule and conduct a hearing within ten (10) working days of receipt of the appeal to the Board and shall render a decision within ten (10) working days of said hearing.

Level Four:

If an employee still has a grievance at this stage of the proceedings, the employee must, within five (5) working days of receipt of the Board's decision, request in writing, the Professional Rights and Responsibilities committee of the Association to determine if the grievance has merit. If the Professional Rights and Responsibilities Committee finds it has merit, the Committee will notify the Board, in writing, within five (5) working days, which notice will constitute notification of the intention to proceed to arbitration unless stated otherwise. If the Committee finds the case is without merit it will notify, in writing, both the Board and the aggrieved person who may still

continue the case at his own expense. If the aggrieved person chooses to continue the case at his own expense he shall notify the Board, in writing, within five (5) working days after receipt of the notice from the Committee. Application for arbitration must be made, in writing, within five (5) working days after receipt by the Board of the notice of intention to arbitrate the matter, which application shall be made by the Association or the aggrieved person who chooses to continue the case at his own expense.

Level Five:

If the Board and employee or their representatives are unable to reach a harmonious agreement, the matter will be submitted to an arbitrator mutually chosen by the Board and the Association. If mutual agreement on the choice of said arbitrator cannot be reached within five (5) working days an appeal will be made, in writing, to the American Arbitration Association to appoint said arbitrator pursuant to their rules. The decision of the arbitrator shall be submitted to the Board and to the Association and shall be final and binding on the parties.

The costs for the services of the arbitrator, including per diem expenses and the cost of the hearing room, shall be borne equally by the Board and the Association. Any other expense incurred shall be paid by the party incurring same.

C. RIGHTS OF EMPLOYEES TO REPRESENTATION:

The aggrieved employee may be represented at all stages of the grievance procedure by himself or, at his option, by representative(s) selected by himself, or representative(s) chosen by the Association.

When an employee is not represented by the Association, the Association shall have the right to be present at any level and to state its views.

ARTICLE III – HEALTH INSURANCE:

- A. The Board shall provide health insurance coverage as contained in the New Jersey School Employees' Health Benefits Plan (the "SEHBP"). The Association agrees to accept the level of coverage/benefits provided by SEHBP. It is additionally understood that the Dental Insurance provision will reflect that all covered employees and dependents will pay a deductible for dental insurance as follows:

This dental deductible shall not apply to preventative or diagnostic dental treatment, which shall not have any deductible. Moreover, the \$50 individual deductible will apply to the \$100 family deductible, when applicable.

Eligibility for part-time certificated and non-certificated staff will be consistent with rules and regulations of the Plan. The Board maintains the right to change its insurance coverage upon reasonable notice to the Association, provided that such coverage is equivalent to or better than that being currently provided.

ARTICLE VIII – EXTENDED LEAVES OF ABSENCE

The parties to this agreement acknowledge that the following provisions will be applied in conformance with the Federal Medical Leave Act ("FMLA") and/or the New Jersey Family Leave Act ("NJFLA") and the applicable regulations.

A. MATERNITY LEAVE FOR TENURED TEACHERS:

1. Natural Birth - The Board shall grant maternity leave, without pay, to any female teacher under tenure for a period not to exceed two (2) years upon request subject to the following stipulations and limitations:
 - a. Maternity leave shall commence and terminate on the dates requested by the teacher as specified to the Superintendent, in writing, at least sixty (60) days prior to the date on which her leave is to begin.

In the event the teacher's physician certifies to the Board that termination of employment in less than sixty (60) days is necessary to protect the health of the mother and/or child, the Board will permit such earlier commencement of leave as is required by the circumstances. In addition to the sixty (60) days' notice, the teacher shall advise the Superintendent during the first three (3) months of her pregnancy of the fact of her pregnancy and of her prospective plans for taking maternity leave. The teacher shall provide the Superintendent with her best estimate of when the maternity leave will commence and terminate. Said preliminary advice shall not be binding upon the teacher and shall not be deemed to be in lieu of the formal notice required above.

- b. The Board may require a teacher, during her pregnancy, to produce a certificate from her physician stating that she may continue working effectively at the duty to which a teacher has been assigned. The Board shall not require the teacher to produce such a certificate (updated) more than once every thirty (30) calendar days.
 - c. Physical Incapacity – The Board may require a pregnant teacher to commence her maternity leave prior to the time period stipulated above if her physical condition or capacity is such that her health would be impaired if she were to continue teaching, or if her

teaching performance has substantially declined from the time immediately prior to her pregnancy and which physical incapacity shall be deemed to exist only if:

- The pregnant teacher fails to produce a certificate from her physician stating that she is medically able to continue teaching; or
 - The Board of Education's physician and the teacher's physician agree that she cannot continue teaching; or
 - Following any difference of medical opinion between the Board's physician and the teacher's physician, the Board requests expert consultation in which case the Board's physician and the teacher's physician shall mutually agree upon an impartial third physician who shall examine the teacher and whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue teaching. The teacher and the Board shall share the expense of an examination by an impartial third physician pursuant to this Article equally.
- d. No teacher shall be prevented from returning to work on the grounds that there has not been a time lapse between childbirth and the desired return. The Board may require a teacher, after birth of her child, to produce a certificate from her physician showing that she is physically capable of resuming her duties. If the Board's physician is in disagreement, that conflict of medical opinion shall be resolved in the same manner as set forth above in (c).
- e. Any maternity leave requested to terminate on a date other than September 1 may be extended within the two (2) year limitation provided that such extension is requested in writing at least ninety (90) days prior to the originally requested date.
- f. Any teacher granted maternity leave without pay according to the provisions of this Article may, at her discretion, elect to substitute all or any part of her accumulated sick leave in lieu thereof during the period commencing 30 days prior to delivery and ending 30 days after delivery. This period may be extended where the employee's physician demonstrates the need for such extended sick leave.

2. Adoption

Any teacher adopting a child shall receive similar leave which shall commence upon his/her receiving de facto custody of the said child, provided, however, the teacher adheres to the notice requirements above, where applicable.

3. Substitute Work

Following childbirth or adoption, no teacher on maternity leave shall, on the basis of said leave, be denied the opportunity to substitute in the Florham Park School district in the area of his/her certification or competency.

B. MATERNITY LEAVE FOR NON-TENURED TEACHERS:

A non-tenured teacher who is pregnant shall be permitted to continue to work until such time as the School Physician shall certify to the Board that, in the physician's opinion, said teacher's pregnancy interferes with her proper and effective performance of the duties to which she has been assigned. A non-tenured teacher who complies with the requirements above, concerning maternity leave for tenured teachers, shall be granted maternity leave at the discretion of the Board, provided, however, absence of any non-tenured teacher beyond the school year (current) for which she was originally hired or to offer tenure or a new contract to a non-tenured teacher who would not have otherwise obtained it. No period of time while on maternity leave shall be credited to such non-tenured teacher with respect to acquiring status as a tenured teacher.

C. MATERNITY LEAVE – TENURED SUPPORT STAFF:

A tenured employee may be granted up to one (1) year's leave of absence, without pay, as a maternity leave of absence. Request for maternity leave of absence should be instituted no later than two (2) weeks prior to the end of the fifth month. An employee shall be required to notify the Superintendent during the first three (3) months of pregnancy. The Board may require a physician's authorization for an employee to continue working during pregnancy.

None of the terms of this Article, Sections A, B or C shall affect the Superintendent's responsibility and authority to determine the ability of an employee to properly and effectively perform the duties to which she is contracted.

D. MISCELLANEOUS LEAVES OF ABSENCE:

1. A leave of absence of up to one (1) year, without pay, may be granted for the purpose of caring for a sick member of the employee's immediate family.
2. The Board for good reason may grant other leaves of absence, without pay.

E. Upon return from leave granted pursuant to these Sections an employee shall be placed on the salary step on the level at which he or she was located at the time of taking leave. All benefits to which an employee was entitled at the time his leave of absence commenced, including unused accumulated sick leave remaining after the leave, and credits toward sabbatical eligibility, shall be restored to him upon his return and he shall be assigned to the same position, if available, which he held at the time said leave commenced.

F. Except as otherwise expressly provided hereinabove, all extensions or renewals of leaves shall be applied for in writing by March 1 of the school year during which the leave expires. Approvals or rejections of such requests shall be sent in writing to the employee by April 15 of that year.

ARTICLE IX – TEMPORARY ASSIGNMENTS/SUPPORT STAFF

2. All personal days provided under A.1 of this Article, which are not used, shall rollover and be calculated in an employee's accumulated sick leave days.
3. Employees shall be granted three (3) days per year, with pay, for absence due to illness in the immediate family when the presence or immediate assistance of the employee is required. The employee's immediate family shall be defined as follows: father, mother, spouse, child, brother, sister, grandchild or any member of the immediate household. A maximum of two (2) unused "family illness" days shall rollover and be calculated in an employee's accumulated sick leave days.
4. No personal days may be taken prior to or after a holiday (unless approved by the Superintendent of Schools).

B. BEREAVEMENT LEAVE WITH PAY

Any Bereavement Leave with pay provided for herein is for the sole purpose of arranging and attending funeral services and providing for a reasonable mourning period.

1. Death in the Immediate Family:
No salary deduction shall be made for absence from school duties resulting from death of father, mother, spouse, civil union partner as defined by New Jersey law, child, brother, sister, grandchild, grandparents, mother-in-law, father-in-law, out of state sister-in-law or brother-in-law or any member of the immediate household, providing that such absence is limited to a maximum of five (5) school calendar days. Any days taken after five (5) days from the time of death must be approved by the Superintendent and must be related to duties of Executor of the Estate. In calculating the allowable number of days under this paragraph, "school calendar" days shall include days which fall in school vacation periods or which are school holidays.
2. Death of Other Relative
An allowance of three (3) days shall be granted for the death of an in-state sister-in-law or brother-in-law. An allowance of one (1) day's leave shall be granted for all other relatives. Employees shall be allowed an additional one (1) day for a one (1) day bereavement leave if such funeral is out of state. The employee shall provide proof to the Administration that the funeral is out-of-state.

C. MISCELLANEOUS PROVISIONS

1. Application for temporary leave shall be made at least fourth-eight (48) hours prior to the day requested. In emergency situations, such notice shall be given as soon as practicable within the forty-eight (48) hours.
2. Requests for additional days under this Article may be granted upon the discretion of the Superintendent.
3. Salary deductions for days absent over and above the time provided in this Article shall be on the basis of $1/200^{\text{th}}$ of the yearly salary exclusive of insurance and pension of ten month employees and on the basis of $1/240^{\text{th}}$ of the yearly salary exclusive of insurance and pension of twelve month employees for each day.
4. Paragraphs B.1 and B.2 of this Article shall be valid only if the employee notifies the appropriately designated person at least sixty (60) minutes prior to the normal time the employee is expected at school.

ARTICLE XI – TEACHER/ADMINISTRATION RELATIONS

Both the Association and the Board recognize the importance of effective communications and working relations between the staff, District Administrators and The Board. Most operating problems must be resolved on that level rather than brought to the negotiating table. The purpose of this Article is to provide agreement that standing committees shall be established to ensure prompt, efficient disposition of any problems relating to working conditions and operating facilities; curriculum matters are to be resolved through the Superintendent of Schools.

Of the committees referred to above, there shall be one (1) committee called the Teacher, Administrator, Board Committee (TAB), and one (1) for each building in the District called the Building Council Committee.

A. TEACHER/ADMINISTRATOR/BOARD (TAB) COMMITTEE

Organization and operation of the “TAB” Committee shall be according to the following guidelines:

1. The intent of the Committee will be to establish effective communications between the staff, administrators and The Board.
2. The committee shall consist of:
 - a. Two teachers from each building selected by the Association.
 - b. All administrators.
 - c. The Superintendent and Business Administrator.
 - d. The President of the Association.

3. The Committee shall meet four (4) times during the school year. The meetings will be held during dinner hours. The dates will be determined by mutual agreement.
4. The Committee will elect its own Chairman and Recorder. Neither the Superintendent nor the President of the Association shall hold either position.
5. Members of the Committee shall have the responsibility of communicating back to the group they represent on discussions held at the Committee Meeting. The Principals shall set aside a time period at their building meetings for such report.
